EQUILIBRIO

SCEGLIERE LE PROPRIE PIETRE PER TROVARE IL PROPRIO PERSONALE EQUILIBRIO

Si dice che alcuni oggetti e non altri 'ci chiamino', ovvero esercitino su di noi un'attrazione particolare, frutto della risonanza energetica che abbiamo con loro. Legni, pietre, metalli, gli elementi in equilibrio di ogni composizione possono essere liberamente scelti e combinati, cosicché ciascuno possa trovare "il proprio personale equilibrio".

CHOOSE YOUR STONES TO ITSELF BALANCE

It is said that some objects and not others exert over us special attraction as the result of the energetic resonance we have with them. Wood, stone, metals, the elements in balance in each composition can be freely chosen and combined, so that everyone can find "one's own personal balance."
